# Des Moines' hottest secret?

## ***Money Magazine* says houses are the biggest bargain around.**

Don't let the doom and gloom of the national news scare you. *Money Magazine* (5/08) lists reasonable housing prices and mortgage rates at near record lows as the big reasons to buy. They also singled out the Midwest as being the most stable and most affordable. Isn't it time you make the smart investment?

Don't let the national news scare you. Get the Des Moines facts. Ask a Realtor.
